Don, I spoke with Mr. Lorenzen and we don't have that much information on this. The council office (Nate) is the one who knows more about it.

I know they (Lax) are planting trees on Northside Parkway but other than that I do not have any additional information.

Once you get the information on this I am more than glad to assist where I can, and, if you would like me to attend the meeting, or any other meeting, just let me know.

Thanks
